Sir:

The following response is respectfully submitted in connection with the above-identified reissue application, in response to the Office Action dated May 6, 2005.

A new listing of the claims in proper form; and remarks are included following the listing of claims.

Attached is a new listing of the claims in this reissue application, as previously presented and/or amended in proper form with original claims 1 - 16 of the patent, which have not been amended, being presented without underlining and added and/or amended claims 17 - 28 being presented with underlining.

This listing of claims will replace all prior versions, and listings, of claims in the application.
